

**THE TEXAS DEPOSITION
REPORTERS ASSOCIATION
PRESENTS**

**THE PERILS OF USING
AN UNCERTIFIED
DIGITAL OPERATOR**

MCLE Course 174151265

FREE CLE

TEXDRA is proud to offer this FREE one-hour CLE to the Texas Legal Community.

Scanning the code above takes you directly to the State Bar of Texas MCLE reporting tool with information for this course automatically filled in.

To report your attendance, simply scan the code, log in, certify that the requested credit is correct, and click submit.

A TEXDRA representative will happily present this to you and your law firm, or you can easily view it yourself from the State Bar's online CLE catalog.

The Perils of Using an Uncertified Digital Operator Covers the Following Topics:

- What is a Certified Shorthand Reporter?
- What is an Uncertified Shorthand Reporter?
- What is an Uncertified Digital Operator?
- What are the rules and statutes that pertain to the above?
- What are the dangers of using an Uncertified Digital Operator?

TEXDRA fights hard to protect the integrity of the record.

Please join us in our fight.
